Parental Consent Form

Please read and sign in the space below:

All participants participating in VTCC group rides and events under the age of 18 (U18) must have a signed VTCC Parental Consent form. The only exemption is where a young person having reached the age of 16 can prove that they are no longer living with their parents or guardians and are living as an independent adult. This needs to be proven by the supply of a lawyer's letter or proof of address with the person's current address in their name at the time of application for membership.

The VTCC Policy on Young People's Participation in Cycling Activities:

The minimum age for unaccompanied U18s on a non-competitive ride/event is 13 years, and 12 for competitive events (time trial/races). U18s of the required age for the event may participate unaccompanied if they have parental permission and a signed Parental Consent Form. There is no lower age limit for non-competitive events if accompanied by a responsible adult acting in loco parentis, but a signed Parental Consent form is still needed. The U18 and accompanying adult must each complete a membership form.

Parents or guardians must also understand:

- The demands of the cycling activity and that they alone can make the decision about the ability of their child to complete it.
- That the U18 rider may cycle with other adults and/or with other U18s, but that there is also a possibility of the U18 cycling on his/her own.
- That while VTCC extends a welcome to cyclists of all ages and abilities, no special provision for U18s is made.
- Arrangements to get to and from the event/group ride are the sole responsibility of the parent or guardian.
- That DBS checks may not have been done on members, sponsors, event organisers, ride leaders and/or any other third party involved.
- VTCC, its members and families, sponsors, executive committee members and other participants may take photographs during the course of an event/group ride, mostly for use on the club website and social media pages but some may be for local or national publicity purposes.
